OBJECTIVE

Passionate and dedicated student actively pursuing hands-on experience in software development. Excited to bring my technical skills, problem-solving mindset, and eagerness to learn to a dynamic team environment, where I can contribute to meaningful projects and grow professionally.

EDUCATION

Bachelor of Technology in Electronics and Telecommunication, 2021-present
Yeshwantrao Chavan College of Engineering, Nagpur CGPA : 8.60

Higher Secondary Certificate (12th), 2019-2021
Dr. Ambedkar College, Nagpur percent : 94.17

Secondary School Certificate (10th), 2019
Yashoda High School, Nagpur percent : 88.40

TECHNICAL SKILLS

Programming Languages	Java, C++, Python
Web Development	HTML, CSS, Javascript, ReactJs, Next.js
Android Development	Kotlin, Jetpack Compose
Database Management	MongoDB, SQL, Firebase

PROJECTS

EasyChat - A Fullstack Chat Application

Developed a full-stack real-time chat application using the MERN stack (MongoDB, Express, React, Node.js). The app enables users to send direct messages in a secure, real-time environment. It includes features like user authentication, private messaging, and a smooth, responsive interface.

- **Technologies Used:** React.js, Node.js, Express.js, MongoDB, Socket.IO,
- **Github:** [easychat](#)

AutoRentHub

Developed a responsive car rental platform using Next.js and TypeScript, enabling users to explore and filter cars by brand, price, and specifications. Integrated Hygraph (GraphCMS) for dynamic data management, ensuring efficient and real-time data retrieval to enhance user experience.

- **Technologies Used:** Next.js, TypeScript, Hygraph (GraphCMS), Tailwind CSS, Clerk.
- **Github:** [car-rental-website](#)

Chatbot Android App

Designed and implemented a chatbot application using Jetpack Compose and the Gemini API, providing smooth, real-time user interactions through optimized API connectivity.

- **Technologies Used:** Jetpack Compose, Kotlin, Gemini API.
- **Github:** [Chatbot-Android-App](#)

CERTIFICATIONS

- PwC Launchpad Program - Cloud and Digital
- Java, C++ Certification - Udemy.
- Android Development Certification – Udemy.
